## Emphasis Graphictures Rubric

	Always 5 pts	Almost Always 4 pts	Sometimes 3 pts	Rarely 2 pts	Never 1 pt
Portrait composition is interesting, fills the artboard entirely, and clearly expresses an emotion					
Portrait is edited and posterized in Photoshop accurately (in portfolio as jpeg) allowing the expression/emotion to be emphasized clearly					
Portrait shapes are outlined accurately using a <u>minimum</u> of 3 different levels (shadows, midtones, and highlights) with no gaps (excellent craftsmanship)					
Color family was thought out and help express the chosen emotion and show an accurate range of darks, mediums, and light					
Participated during lesson, completed all parts of the project on time, uploaded both parts of the project to the portfolio, answered the reflection questions, and showed consistent effort throughout the entire project
