### Half Drawn Rubric

	<b>Always 5 pts</b>	<b>Almost Always 4 pts</b>	<b>Sometimes 3 pts</b>	<b>Rarely 2 pts</b>	<b>Never 1 pt</b>
Reference photo chosen was cut in half and glued securely to the artboard					
Sketch shows an accurate rendering of symmetry (values, proportions, details)					
Drawings are made in larger scale to meet the size requirement (8.5"X11" or larger) or student did 2 or more half drawings					
Drawing shows all details, values, textures, ect. Necessary to look similar to the missing half of the photo					
Balance is shown accurately with the use of symmetry					
All materials were used and cleaned appropriately (includes cleaning up after self)					
Student showed consistent effort; participated and behaved appropriately during lesson and demonstrations, project turned in on time					
Student brainstormed idea and all concepts on time, had reference photos, and a clear idea of final project
